STATE TOURNAMENT

Brookline	3	B.C. High	2
Weymouth	2	Brookline	1

Soccer '85 was an exciting season for everyone. The team's enthusiasm and love for the game were reflected in each match. Our success was, in many ways, unexpected but it seemed to build upon itself as the season progressed. Our thanks go out to Mr. Carter for channeling our energies and will to win. Also, thank you to everyone who came out to watch us and shared in our big victories over Newton and B.C. High. For the first time in a while, we qualified for the state tournament, but the seniors leave with the feeling that Brookline will be back in the near future.

Good Luck,
Seth & Will

Our season this year had many escapades. Our night game under the lights, our new uniforms, trying to burn the tiger tail at Newton North, Rich buying us chocolate chip ice cream after a game, trying to make circles, the dog that almost ate Kim, our cable-TV broadcasted game when Peabody made the effort, Eric's "Sir" at the referee at every single call he made, and our 3½ minute game against Brockton where we had a chance to make it to the States. Good luck next year and maybe next year you will have as much fun as we did this year.

Thank you all,
Sally, Karen, Maeve

Volleyball 1985

This year our season was comme-ci-comme-sa. Despite our height, we did better than we thought we could with more experienced players like:

Stacie . . . She's a shredder!
Melissa . . . The sponge setter!
Myrna . . . The womping hitter!
Jennie . . . The great one handed dumper!
Jen. W . . . A chipper middle hitter!
Rebecca . . . Our pressure player!
Lenna . . . Our volleyball analyzer!
Joliana . . . And her waist saver!
Renee . . . Our future star!

and finally Ms. Lewis . . . The middle hitter fighting Gator.

We would like to thank all of our devoted fans who cheered us on. We would especially like to thank Jo-Jo, Maika, Jen. L., Nancy, and the "guys." Good luck to next year's team. States all the way!! Hmla-Hmla-Hmla! We love ya'!

Boys Cross Country 1985

After two impressive victories the title looked well within reach. I guess we "just weren't hungry enough." But the season wasn't a complete disaster. These little blurbs are what we will best remember: Coach Laakso being so enraged by "his highness," Dave and Matt "Mr. multi-plate" lusting after toilet paper. Josh tolerating never-ending cries of "slow down!" Tony "all-star rookie" Lees passing up a workshop then regretting it after feeling the repercussions of "too much yogurt," Mike "wheels" Kelley lending Tony his car to go to ANOTHER workshop. Alec "Hey guys" Silverman successfully impersonating Sting and Joe Marine at the same time, Mark and Josh, statistitions, Ben, Dan, Will, Pete, and Dennis bouncing superballs in the squash court. Bob and Jesse missing meets due to migraine headaches. Chris T. enjoying nature, Mike "the elbow" Steinman, Jeremy Selwyn, or is it Bill the Cat, or is it Tennessee Tuxedo? The unknown soldiers Ari, Chee, Eric, Sewai, and Hubie, The missing soldiers: Lawson and Cooke. And our lone FAN who wished to remain unamed. Good luck in '86 and keep the faith. Please!

Sincerely,
Josh and Dave

Golf 1985

The 1985 Brookline High Golf Team came into the season with high expectations. Led by co-captains and four-year varsity starters Matt (Lefty) Lefkowitz and Scott (Cliff) Carter, the team's chances for success were good. The final record of 7-7-1 was indicitive of the up and down season. Although there was no Suburban League Championship, we managed to have some more great times.

Coach Ron DiVencenzo was able to enjoy the 1985 "hockey invasion" during this season. With the addition of number 3 man Rich (Aldo) Sheridan, number 4 man Kevin Ford and alternate Joe Marco, the team was solidified. The varsity squad is rounded out by senior Dan (don't call me Tim) Harrington, Tom (Mad Mac) McNamera, and Phil Gordon.

Although there are only 2 returning lettermen, the future does not look bleak. With a devoted JV squad and plenty of help on its way with up coming elementary school "golf rats", Mr. D. just might be a worthy candidate for coach of the year honors in about 1989.

Hello Jafo! . . . Hello Mad Mac! . . . Gotta Dip? . . . Burger King and Quincy, they go hand and hand, don't they? . . . The Yellow Maxfli will live forever! . . . And long live the Putterham Maruvders of 1985! — M.L.

Girl's Cross Country 1985

We began the season with a team of ten
our goal: to beat those Quincy women
The final score in this meet was a pity
though our spirits remained witty
We knew the race was hard fought
and let it pass without a thought
for the desire to win was all there
and we proved it by giving Arlington a scare
This Brookline girl's victory was a first
finally we were not known as the worst
The season progressed
but we won less and less
Brockton was a meet unlike other races
The Brookline duo took the first two places
but this meet was different in another way
for a flasher was exposed for display
We ended the season at two and four
In the future our plans are to achieve much more
Our hopes are for a team of twenty
to win the league championship by plenty.

Field Hockey 1985

We would have gone to the States if:

— We had more than three returning Varsity players
— More than one mother showed up for our home games
— We didn't eat and drink more than we ran
— We had actually done "something splendid" instead of just talking about it
— Pilar had wounded more of our opponents
— We had more "pig piles" in front of the goal
— There wasn't a "Cha-Leen" on every team
— We could clear away the cows that grazed on our "pasture" before the games
— The refs didn't need bifocals
— If only our family and friends still loved us after our losses
— We could arrive for home games before our opponents

O.K. (sigh), we didn't go to the States. But we should be remembered for our spirit, our unity, and the fun we had. It can't be denied that we all did our "Personal best, and that's really fine, it's really O.K." We'd like to thank Ms. Carol Gregory for her unyielding support, and we forewarn the opponents of 1986 to anticipate "Better peanut butter!"

Football 1985

The Brookline High Indians had their first winning season at 6-4 in many years at the high school. The team proved to themselves and to the rest of the league that we could be competitive and win. Our strong group of seniors showed their leadership to the underclassmen, who will carry our new winning tradition for many years to come.

We had eight first team All-Surburban All-Stars, the most on any team in the Surburban League this year. The players were Billy Edwards, Sam Figler, Rene Elysee, Jay Kuropatkin, Ron Shelborne, and tri-captains Uthman Cavallo, Eric Falzon, and Peter Meade. We would like to thank our cheerleaders and our coaching staff, who showed us how to be winners, but most of all we would like to thank you, our fans, for supporting us throughout our season.

BOYS' SWIMMING 1986

This year it was Henn, Fowler and Han.
They led the team and prodded us on.
Rubin, Oded, Dan, and Itay
Really helped out to make the team fly.
Soar we did, unbeaten again
Their boys were fast, but we were men.
Suburbans was ours but we look to next year.
When the rest of the state will have Brookline
to fear!
We wish not to leave anyone out in the cold.
But some highlights of this season are best left
untold.
Steve Henn as captain, completed his last
season.
All of his swims were nothing but pleasin'
Mike and Kurt were forever cruising
From meet to meet they'd hear nothing of
losing.
We always wondered about Slover and Frank
What did they do together outside the tank?
Gi was the man whom I called Don
For he always had the snazziest clothes on.
Caplan, Merrow, Mirkin, and Guyer
These speedy sophomores set pools on fire.
For the sectionals Caleb kept strivin'
Scotty chipped in with spectacular divin'
On this team we had frosh galore
John, Kevin, Joe, Jaime, Udi, Jason, Erin,
Richard, Yuval, and Amos
I'd say something for them, but frosh shouldn't
be famous.
Lastly thanks to Lori, Bill, Jim, and Chris
With their help next year, we can't possibly
miss.

BOY'S GYMNASTICS 1986

The 1986 edition of Brookline Boys' Gymnastics was loaded with talent and desire. Although we finished with a disappointing 4-6 record, the foundation was laid for a serious state contender in 1987.

Highlighting the season was Brookline's seven medals at the South League Meet. Four of those medal winners went on to compete in the Eastern Massachusetts State Meet of which one, Dave Ginsburg, went on to place an incredible seventh place on still rings.

The future for Brookline Gymnastics holds nothing but promise as all of this year's medal winners except one will be returning next season. With a lot of hard work and strong leadership from new captains, Ginsburg and Lu Yoder as well as stand outs Peter Grand, Alain Frechon, Nathan Chickery, and Ed Moy, the team should take the states and cream Milton (Gerry who?).

BOYS TRACK 1986

Not long ago in a pavillion high in the sky there lived a very merry band of tracksters, otherwise known as the SKULLYMEN! Led by their hawking skullymaster, Obie RON Dong, and his constant cries of "lift," "work this straight!" "be a sprinter!" these fierce Skullymen terrorized the Suburban League. They had but one mission: to overcome the dark forces. CAMBRIDGE!! As in the past, however, evil prevailed and the fearless Skullymen were sent packing with their tights hanging low between their legs. Defeated they were, losers they were not. Behind the often absentee leadership of their courageous captains, Stretch, B' ski, and The Thirdleg, the team accomplished its SECOND most important mission: To be damn good and to have a rockin' time.

Thanks to the valiant efforts of fellow skullyers General Alec S., Jumpin' Joe, Mike Fathead, Matty-O, Tony "gimme water" Lees, Will "I've had my fill" Robb, Josh "iceman" Becker, Georgie porgie L. Tweedle-dee and Tweedle-dum Gillis, Josh "I give my all" S., Chris L., Andy, Mahk "Hahvahd" Selwyn, Randy, and all future Skulleyers. This team will be remembered as the freshest, most desirous team ever to hit the lanes.

Thanks and Good Luck,
The Skully-caps

WRESTLING 1986

We started the year with high hopes of a Suburban League championship; that was until Brockton and Waltham humbled us. The loss of Eric to an ankle injury and the disappearance of Dave didn't help our cause much. We held together though, pulling in third in the league and fifth in the section. Through it all, Eric kept us entertained with his razor-sharp interviews of Jeff Levy, while Davey was always late to weigh-ins because he was asleep in the wrestling room; Mike Dolan never stopped talking about his mother's apple pies, until he had to cut weight, that is; Jeff Horwitz had to gain weight to make his class; Mark, Ari, Jimmy, Seung and Phil — the Killer Flees; and Sam "beating up" on the lower class wrestlers. Maybe we didn't win it all this year, but with eight varsity coming back next year, that league championship may not be so far off.

Mindy: A real section of the yearbook to work on.

Mimi: A free A-Block for the MURIVIAN class.

Ms. Wall: A lifetime supply of gum.

Ms. Sens: A tranquilizer for Marley during MURIVIAN meetings.

Special thanks to Nelson, Rembs and Sage for their invaluable artistic contributions.

It's been a puzzling year, but we still love you!

TOWN MEETING

Town Meeting is in its fifth year now. It's a time for reflection of things past, and more importantly, a realistic look into our future. BHS's unique form of government, a participatory democracy which encourages all voices to be heard, allows for uncensored discussion between teachers, students and administrators. Issues this year have included everything from "Should political banners be allowed to hang from school walls?" to "Should exams be scheduled the day after the Superbowl?" To fully realize our potential, we're seeking more effective methods of communication throughout the school community, and working towards representation that truly reflects Brookline High School's diversity.

SENIOR STEERING

It has been a year of planning, fundraising, and contemplating that day in June when the Class of 1986 will become alumni of B.H.S. The Kick-Off dance proved to be a hugh success.

October 31 saw the Steering Committee painting faces for Halloween and selling jack-o-lantern cookies and popcorn balls. No sooner was the face make-up wiped away than the seniors were busily selling candy. Fortunately, members of the school community seemed to have perpetual sweet-teeth.

The class also held a Senior Class Breakfast. After vacation the Committee members embarked on preparations for Carnation Day, February 14. The profits from this major fundraiser would be key to the Prom's affordability and style.

JUNIOR STEERING

A voluntary group of students under the leadership of two teachers advisors and the Junior Housemaster formed to plan the activities of the junior class.

DRAMA SOCIETY

The Drama Executives. Masters of procrastination, they organize events and kill techies and here they are . . .

President: Joshua Frost

Too thin to play any major roles in theatre, he does however pose for posters of emaciated Ethiopians.

Vice-President: Mike Adelman

The man whose career began inauspiciously as a saxaphone player in the New York Philharmonic.

Secretary: Ellen Lurie

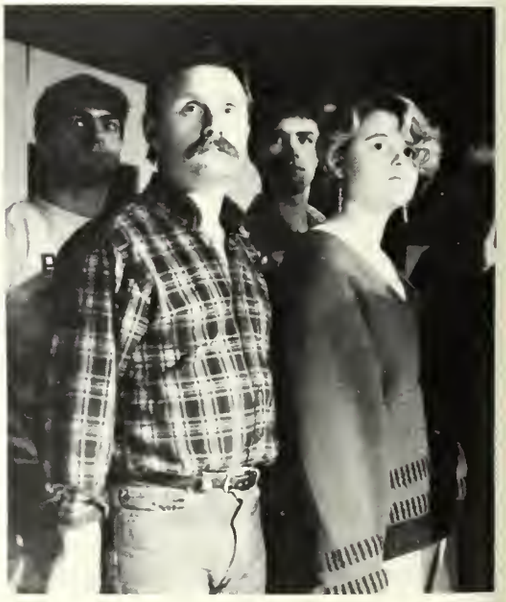
Trying to escape her sex symbol image in such films as "The Virgin Mary," she is now on Broadway playing the wall in "Romeo & Juliet."

Publicity: Chris Hummel

The next James Bond. Despite a rumor that David Prowse played the character, he really was Darth Vader.

Executive Member: Will Sandstead

Will has never had a decent job — which makes his million dollar mansion in France rather suspicious. He insists that this has nothing to do with the Reverend Billy Christian Religious Network.



TECH CREW

The Tech Crew dedicates this year's caption to all those who have ever inspired us, such as Iain Ryrie, Daniel Moore, Jimmy Hoffa, Punky Brewster, the Refrigerator, The Cleveland Indians, Rev. Ernst Angry, and our new owners, the Beatrice Corporation.

JAZZ BAND

FLAG SQUAD

MATH TEAM

We are the group of students who compete against other schools by doing math problems. We have five meets a year at which we each participate in three ten-minute rounds of three questions. Any student who enjoys mathematical challenges is welcome to join. Brookline High's Math Team finished fourth in both the state and New England last year. We hope to maintain or improve our standing this year.

COMPUTER CLUB

TACTICAL GAMES

SCIENCE CLUB

The Science Club is a small group of humanoid life forms which is growing much in the same way as fungus would, through the school community. We seek to inform the school community through lectures, experiments, and field trips. We are planning to use our newly acquired laser to create holograms and to conduct other experiments. The Science Team, a division of the Science Club, is currently competing in the first Science Olympiad . . . and wasting the muthers!! Our long range plans include: building a full-size fusion reactor, harnessing anti-matter to power the science department coffee machine, and most importantly, devising a universal theory to explain all scientific phenomenon known to man, including "bottle music".

KEY CLUB

Key Club is a service organization of B.H.S. The Kiwanis affiliated group has one of the largest memberships in the school and uses this great resource to raise money for scholarships and assist elderly, hospital, and youth organizations through volunteer work.

WRITERS & COMPANY

Writers & Company is a recently established literary club in the high school. The club meets to discuss prose, poetry and short stories written by the members as well as pieces done by other students of B.H.S. A magazine is periodically published.

BIG BROTHER/BIG SISTER

The Big Brother/Big Sister Program assists the incoming freshmen class and all newly enrolled upperclass students in their exciting but sometimes frustrating efforts to adjust to B.H.S.

FAIRNESS COMMITTEE

THIRD WORLD AWARENESS

T.W.A. seeks to increase the level of awareness in B.H.S. to the peoples of the Third World and to issues of prejudice in our own community. The group hopes more students will make connections between multi-cultural issues and those in Africa, Asia, the Middle East, and Latin America. Through guest speakers, workshops, and responsible social action, the group expects to involve a great number of students with these concerns.

FAR EAST CLUB

The Far East Club founded over a decade ago, is a club filled with enthusiasm and support from its members. During each year, the F.E.C. holds several bake sales which help to pay for field trips to the movies, museums, and restaurants near the high school. Moreover, the F.E.C. is basically a club for those who are interested in doing activities together, throughout the year.

NUCLEAR EDUCATION PROJECT

The Nuclear Education Project is a group of BHS students working to educate themselves and the school community on the nuclear issue and taking action to prevent nuclear war and stop the arms race.

BLACK AWARENESS

T.O.S.C.O.B.

The Orogenic Scaling Club of Brookline is a group of young people dedicated to the growth and enrichment of the individuals mind and body through experience and adventure in the great outdoors. Led by the ever dedicated and prestigious Mr. "Rusty" Forsythe and our president Aliza Shapiro, T.O.S.C.O.B. trips vary in diversity from hiking, biking, and snowshoeing to canoeing, the only limitations being the desires of the group and how much gas we can afford.

HORSEBACK RIDING CLUB

The Horseback Riding Club allows riders, beginners and advanced alike to develop their skills.

SKI CLUB

TABLE TENNIS CLUB

The Table Tennis Club is a club which offers a unique opportunity to engage in competition and to enhance one's interest in Table Tennis. The Club also offers annual Tournaments for those who seek to excell further in their ability.

NATIONAL HONOR SOCIETY

The National Honor Society selects members on the basis of their outstanding academic achievement, good citizenship and service to the school community. The society provides a tutoring service for the students of the school and participates in fundraising activities to provide a scholarship.
